P.C.

. The intervenors by the present Chamber Summons seek to intervene and/or be added as party on the ground that what the petitioners have described in so far as CTS No.874-D is not correct. In so far as the petitioners are concerned they claim no right

in so far as CTS No.874-D is concerned. Once that be the case the presence of the intervenors is not necessary and consequently they are neither necessary nor proper party. At the highest they may be witness to support the stand of the Government, if any. In the light of that we do not think that there is any merit in the present Chamber Summons which is accordingly disposed of.
